

## THE CENTER FOR PUBLIC PHILOSOPHY, UC SANTA CRUZ

Through community programming, events, and media, the Center for Public Philosophy aims to empower the general public with the tools and insights of philosophy and the science of cognition, in order to help foster more thoughtful and engaged communities of thinkers, doers, and change makers.

Marian Avila Breach      Eliezer Margolis      Jeanne Proust

## ETHICS BOWL

The Intercollegiate Ethics Bowl (IEB) was founded in 1996 by Robert Ladenson, at Illinois Institute of Technology, as a format for teaching applied ethics to engineering students. The competition has since grown into an annual national event with over two hundred universities fielding teams. The top 32 teams, determined by a set of regionals around the country, compete at the national IEB every year.

## **MOUNT TAMALPAIS COLLEGE**

The mission of the College is to provide an intellectually rigorous, inclusive Associate of Arts degree program and college preparatory program, free of charge, to people at San Quentin State Prison; to expand access to quality higher education for incarcerated people; and to foster the values of equity, civic engagement, independence of thought, and freedom of expression.
